

You Don't Need a Secret Phrase to Open the MAGIC Door!

Just click on www.BlueElm.com
and OpenGate™ will do it for you!

OpenGate allows direct access to MEDITECH'S MAGIC and/or Client/Server hierarchical databases in an open platform. There is NO other product like ours in the healthcare marketplace.

If you need access to MEDITECH databases, you need OpenGate.

Built on Microsoft's .NET platform, OpenGate is a native ADO.NET provider. OpenGate provides multiple methods for directly accessing and running queries against MEDITECH databases.

We have nearly 50 clients successfully using **OpenGate** today. Shouldn't you be one tomorrow? Visit www.BlueElm.com or call **(978) 225-8625**. A white paper on OpenGate is available on our website.
