

ePay

Electronic Pay Stub Solution

As more and more hospital's increase effort's to be "greener" and save on paper waste, ePay allows Hospital's to transition their pay stub information to an electronic format. You will be able to instantly provide your employees with their pay stubs online, send them broadcast alert messages, and run reports on users.

ePay is a secure, user friendly, Web-based tool that empowers employees to view their current and/or past pay stubs from Internet-enabled computers. With ePay, your company can realize instance cost savings, versus that of the traditional paper based systems.

Electronic pay stubs significantly reduce operating expenses related to printing and delivering payroll stubs, while enhancing the direct deposit services that your company already provides employees.

Experts agree implementing the right electronic pay stub solution will result in substantial cost savings. Based on research the average cost of printing a pay stub for one employee is \$1.90 per pay period plus postage and materials. While costs vary, this is a conservative estimate that does not include the expense of storage, replacement stubs, etc. ePay can reduce your cost of pay stub administration.

One example, Northeast Health, Troy, N.Y. provides online direct-deposit notification and no longer prints and mails pay stubs. "When you consider that we have 4,000 employees and 26 pay periods, that saves us about \$40,000 per year," Baldwin says. "It's good for the employee and good for the organization."

For New England Baptist Hospital, they piloted the new Payroll web application in April 2009 and rolled it out hospital wide in May 2009.

The screenshot shows the ePay web application interface. At the top, there is a navigation bar with the ePay logo, an "Employee Forum" link, and a user profile icon for "ZZCUERVO,JOSE". Below the navigation bar, there is a "Main Menu" section. The main content area is divided into two columns: "Employee Information" and "Earnings and ET/LTI".

Employee Information	Earnings and ET/LTI
ZZCUERVO,JOSE P.O.BOX 557 MILTON, MA 01590	Your information was last updated on: Thursday, January 31, 2008 Gross Pay: \$1,238.46 Net Pay: \$847.74 ET Balance: 50.464 hours Long Term Illness Balance: 1.232 hours To view your weekly earnings statements, select View Pay Stub .

Below the main content area, there are two sections: "Non-NEBH Websites" and "NEBH Sites".

Non-NEBH Websites	NEBH Sites
NEBH Benefits Fidelity 403-b Metlife 403-b	Human Resources Benefits Information and Resource Page

Allowing employees to enroll in ePay, instead of with paper forms, cut time and costs. As of May 2009, paper paychecks are history at New England Baptist Hospital. We replaced them with an electronic direct-deposit pay stub that employees view online. With ePay, your Hospital can realize instance cost savings, versus that of the traditional paper based systems.
